NOTICE ON ATTENDANCE SHORTAGE

This notice is issued to all students whose attendance has fallen below 70% (any course). Please follow the instructions outlined below to rectify your attendance shortage and ensure eligibility for upcoming examinations.

Note: The Last Date for Attendance Tabulation shall be 10.11.2026

Section 1: Remedial Measures

1. Meet your respective Course Teacher for each course in which your attendance is below 70% to receive specific remedial actions.
2. Remedial actions will include the completion and submission of assignments, calculated as detailed in Section 2.

Section 2: Assignment Submission

1. For each course with attendance below 70%, you must submit one assignment for every two classes missed.
2. **Assignment Calculation Example (Step-by-Step):**
   Step 1: Determine the total number of classes taught for the course.
   Step 2: Subtract the number of classes you attended from the total classes taught to find the number of classes missed.
   Step 3: Divide the number of classes missed by 2 to get the total assignments required. If the result is not a whole number, round up to the next whole number.
   Example: If a student attended 32 out of 50 classes:
3. Total Classes Taught = **50**; Total Classes Attended = **32**; Classes Missed = 50 − 32 = **18**
   Assignments Required = 18 ÷ 2 = **9** assignments
4. Each assignment must be written on a minimum of 4 pages (A4 size) and submitted to the respective Course Teacher.
5. **Deadline:** All assignments must be submitted **before the Exam Form Fill-up dates** (to be announced shortly). No late submissions will be accepted.

Section 3: Security Deposit Impounding

Those students whose average attendance (all courses collectively) is found to be below 70%, their Security Deposit shall be impounded as follows:

Attendance Percentage	Security deposit impounded
Below 50%	Full Security deposit
50 – 60 %	50% of the Security Deposit
61- 70%	25% of the Security Deposit

The impounded amount must be paid to the college office **before the Exam Form Fill-up**.
Note: Students whose attendance percentage will be above 70% as on 10.11.2026, will be exempted from the impounding of Security Deposit.

Section 4: Consequences for Non-Compliance

- Students who fail to complete and submit the required assignments by the specified deadline will have their Continuous Internal Assessment (CIA) withheld.
- Admit Cards will be cancelled for non-compliant students, making them ineligible to appear for the End Semester Examinations.
- These consequences will directly impact your academic standing and progression.

Note: The above guidelines must be strictly followed. Regular class attendance is expected henceforth, and further absences may result in additional penalties.
