Regarding Notices circulated digitally

Dear Students, Staff & Parents,

The College authorities have received a complaint regarding circulation of fake notices (under the college letterhead) on social media.

In view of some fake notices regarding exam fees etc. being circulated, the management would like to inform all stakeholders to **Consider Notices/ information from the College shared digitally, to be authentic only if;**

1. The notice is shared on the official WhatsApp group of the College/ Department by any **Faculty Member of the Department.**
2. The notice is received **on your personal institutional email ID** and is sent by the College Office or any faculty of the College.
3. The notice is found on the **College Website.**

(If students receive any information, other than as mentioned above, such can be ignored. Any clarification about authenticity of any notice or information from the College can be sought from the College Office)

N.B.: Some miscreants who were reprimanded by the Disciplinary Committee of the college for use of contraband and for indulging in illegal activities are trying to circulate such fake messages\.
If any student receives any such message, kindly do not circulate or forward them to others.

We thank you for your cooperation!
