

ALS Report
Academic Year 2019-2020

Dated: June 5, 2020

Miss Agatha H (ALS Coordinator, Saint Claret College, Ziro)

ALS Satellite Private Education Ltd. is India's largest coaching network for the candidates who are aspiring to become IAS. There are 75+ Centres across India, and Saint Claret College, Ziro one among them. ALS offers the most meticulously designed classroom packages in **General Studies (GS)** and various optional subjects for the **Civil Services Examination** in both English and Hindi medium. ALS classroom training programme is available at Delhi Centres and through VSAT 65+ Centres across India.

ALS Coaching was launched at Saint Claret College, Ziro on February 15, 2019 with the induction programme which was a great success with the active participation of 18 students. The college offered two programmes viz., (i) GS Course (General Studies) which is recommended for graduates (public and alumni of SCCZ) who are above the age of 21 for the duration of one year. For the Session 2019-2020, twenty students were admitted in GS Course; and (ii) Foundation Programme mainly for undergraduate students for a period of one, two, and three years. Fifteen students were admitted for the Foundation Batch from SCCZ. ALS provides not only VSAT classes but also supplied regular notes, conducted tests as well as provided informative books, magazines, etc. which were very helpful in generating students' confidence and in completing the exam with excellence. The Course was well designed to groom students at a young age to equip them for the toughest exam in India.

ALS being India's premier institution was established with the sole aim to initiate, enable and empower individuals to grow up to be extraordinary **Civil Servants**. It is well known for its unique technology in imparting knowledge of General Studies and various optional Subjects. ALS has an interactive platform where the students were able to clarify their doubts through App and Web Portal as well as recorded videos and live classes can be viewed on any device like Laptop, Desktop and Android App are some of the prominent asset owned by ALS.
