Report on Earth Hour 2022

CMF@UN SCCZ observed Earth Hour 2022 on March 26, in collaboration with Claretians at UN, to show support for the fight against climate change and commitment towards a better planet.

On the occasion, staff and students were encouraged to take an active part in observing the hour dedicated to safeguarding the earth.

Along with the rest of the world, the CMF@UN SCCZ also joined in turning off household lights for 1 hour, from 8:30 PM to 9:30 PM.
