The students of the Department of Mass Communication of Saint Claret College Ziro, (SCCZ) escorted by Assistant Professors Mr. Hrojenn Wahengbam and Ms. Sonam Sultana Shah, attended a fifteen days extensive media skilling cum training programme on "Videography and Graphics designing" from 1st to 15th January, 2018, at the New Institute of Social Communications, Research and Training- popularly known as the NISCORT Media Training College, situated in Ghaziabad, Delhi NCR. The fifteen days long extensive skilling program was a part of the Memorandum of Understanding (MoU) signed by SCCZ and NISCORT.

The media skilling tour/program/training in a nutshell, offered the students with a wide array of practical know-how and a hands on experience in the above mentioned arena by assisting activities that were precisely planned and designed to explore the concepts of all the three stages of production, namely pre-production, production and post-production. The Animators/resource persons of the media skilling program were Assistant Professors, Mr. Sabu Koshy and Ms. Ruchika Mahajan. The students were provided with much valuable insights on different aspects of Graphics designing, Video-graphic and editing skills. The training exclusively laid emphasis on the conceptions of storytelling, script-writing, camera-handling, shooting, video editing and graphics designing in a meticulous manner. The SCCZ team consisted of 28 student participants who were divided into nine individual groups, where each group had the privilege to choose and opt for different topics and as an end-result, each group successfully produced a short film of 10-15 minutes duration, each.

On the successful completion of the skilling program/training, NISCORT awarded certificates to the students of SCCZ. Moreover, Mr. Rubu Tajang, a final year student of the outgoing batch of 2018 who won the second prize in the short film making competition at the Tarang Inter College Media Fest' 2017 organized by NISCORT, Delhi, was also felicitated during the valedictory session.
