(An Autonomous Research Institute, Department of Science & Technology, Government of India)

TALK
ON
“ROCK MAGNETISM AND PALEO MAGNETISM”

Date: 17/03/2021

Organized by
Department of Geography, Saint Claret College, ZIRO
In collaboration with
Indian Institute of Geomagnetism
(An Autonomous Institute, Department of Science and Technology, Govt. of India)

Resource Person
Dr. Sujit Pradhan
Scientist

Department of Geography, Saint Claret College, Zirohad organized a talk on "Rock Magnetism and Paleo Magnetism" for the students of B.A. VI Semester and the speaker of the talk was Dr. SujitPradhan, Scientist of Indian Institute of Geomagnetism, Government of India, Shillong. The speaker discussed about the rock forming processes and different types of rock and their physical and chemical characteristics. He also explained about the "Aerora" and their characteristics and forming processes. Finally he concluded showing a video about the aerora formation and their causes.

After the session the resource person along the students and teachers went to the seismograph station on SCCZ campus and gave a practical demonstration about functioning and data collection processes involved in the seismograph. Finally the session was over with a group photo with the resource person of the event.
