## Report on World Environment Day

Organised by Eco Club in collaboration with the Department of Geography, SCCZ

Date: June 04, 2022

Conservation and Preservation of environment has gained a lot of impetus in the present generation as a result of academic and public awareness. As a premier institute of higher education in the state, Saint Claret College, Ziro (SCCZ) continuously strives towards environmental conservation and maintaining an eco-friendly environment. In this regard, SCCZ has constituted specific clubs and committees to undertake various activities as part of conservation of earth's resources.

Every year **World Environment Day** is observed on **5<sup>th</sup> June** with a purpose-driven theme. The theme for this year, World Environment Day 2022, is '**Only One Earth**'. In accordance with the theme, the SCCZ Eco Club in collaboration with the Department of Geography organised a '**tree sapling distribution and plantation program on 4<sup>th</sup> June 2022**' at the college campus with the motive to strive towards ecological restoration and a sustainable future on Earth. The plantation program was carried out using tree saplings contributed by the Hapoli Forest Division, Ziro (Lower Subansiri District). Accordingly, four different varieties of tree saplings are distributed and planted:

- *Thuja competus*
- *Cupresus torulosa*
- *Cryptomeria japonica*
- *Cerasus cerosoides* (Semo)

The program was attended by the college management, staff and a group of students. A total of 37 (Thirty-seven) participants partook in the program. The images of the event are attached in the following pages.

## Plantation drive carried out

June 5, 2022

**ZIRO, 4 Jun:** A plantation drive was carried out in the campus of Saint Claret College, Ziro (SCCZ) here in Lower Subansiri district on Saturday, on the eve of the World Environment Day.

Around 30 saplings were planted in the campus "in view of converting the demarcated area into a tree park," the college stated in a release.

The drive was organised by the college's geography department, in collaboration with the Eco Club and the swachata action plan of the college.

The saplings (*Thuja compactus*, *Cupressus torulosa*, *Cryptomeria japonica*, and *Cerasus cerosoides*) were provided by the Hapoli Forest Division, under the patronage of DFO Abhinav Kumar.

SCCZ principal Fr Allwyn Mendoz exhorted the students to "spread awareness of planting trees," and said that "small steps, such as plantation drives, disposing waste appropriately, and reducing the carbon footprint will have rich benefits for the future."

Poll

The families affected by the Hunli-Desali-Meteliang road project should be granted compensation for the land they have given for the construction of the road.

## World Environment Day observed at SCCZ

**ZIRO, Jun 04:** A plantation drive was carried out today at Saint Claret College, Ziro campus as a part of the observance of World Environment Day 2022. Around 30 saplings were planted on campus in view of converting the demarcated area into a tree park.

The plantation drive was

organised by the Department of Geography, Saint Claret College, Ziro in collaboration with Eco Club & Swachata Action Plan of the college.

The saplings were provided under the patronage of the Divisional Forest Officer of the Hapoli Forest Division, Abhinav Kumar, IFS.

Principal of the college, Dr. Fr. Allwyn Mendoz exhorted the students to spread awareness of planting trees. He stressed small steps such as plantation drives, disposing waste appropriately, and reducing the carbon footprint will have rich benefits for the future.
