Regarding College ID

- **The College ID must be worn on campus at all times.**
- The college ID is a RFID (Radio Frequency Identification). It doubles up as the Library Card as well.
- Students must **mandatorily register** their College ID at the College Library failing which their access to library and other services associated with the ID card will not be activated.
- Note that the College ID is not transferable. Creation of counterfeit ID cards will invite severe action from the College authorities.
- Loss of College ID must be immediately reported to the College office and an alternative card must be procured on payment of the requisite fee.
- Students who do not wear the College ID may be denied entry and, or penalised by the college authorities.
