**SCCZ, Literary Club's First Sitting in 2024-2025**

**Greetings Claretines !!**

We are glad to inform you all that the department of English, SCCZ has opened the membership program for the **first semester** students of any department for its Literary Club. It will also be open for other interested students who keep a deep interest in literary activities.

Therefore, we are arranging a **first sitting** of it to plan out the activities that this club is going to undertake in this academic year. With your presence it will surely be an exciting one!

We beckon you to join us to ink your mind, in the landscape of your soul where the body will engage in the narrative of its own.

Looking forward to interact with you all on this coming **Monday from 1440 hrs in LH-II (Block –B), SCCZ.**

With Love
